PRITCHARD, KEITH "SLIM"

Meeting after meeting, night after night, early morning rises and sand fly bites. Together we all worked for that one same sight. That noise, that sound, watch those 140 vehicles going around. It was a dream to start, a dream that comes from inside a motor sports lover's heart.

We've lost two of the best. Two men whose memory will carry on their lives, to their families, friends and the love of their sport. We will bring them home for you now and see the event carry on.
