

The Linklater-Pritchard Memorial Trophy Challenge this month will bring top HQ Holden racer to Darwin

# Races to honor Cannonball pair

A memorial challenge series in memory of two men killed during Australia's first Cannonball Run will be held in Darwin later this month.

The Tim Linklater and Keith Pritchard Memorial Trophy Challenge will be held at the Hidden Valley Raceway on May 20 and 21.

It is hoped prizemoney will be more than \$7000.

Mr Linklater and Mr Pritchard were killed while acting as officials near Alice Springs during last year's Cannonball Run.

## Ferrari

Two Japanese entrants in the event also lost their lives after the Ferrari they were travelling in slammed into the checkpoint manned by Mr Linklater and Mr Pritchard.

The May 20-21 challenge includes qualifying on the Saturday and races on the Sunday.

The North Australian Motor Sports Club is expecting about 20 HQ Holdens and drivers to travel from interstate to compete against 12 local cars.

These include Scott Jordan from WA, Craig Bromley,

Keith Pritchard ... keen HQ Holden racer before his death

Mark Blyfield, Peter White and Steve Ward from South Australia and Queensland's Bobby Moege.

There will be support races by the Sports Sedan/Thundersports cars as well as 2E Club cars on both days.

People seeking more information should ring George Bishop on 018 457196 or fax 089 853546.
