**THE FAMILY OF Eric Taylor**

EXTEND THEIR THANKS TO ALL WHO KNEW AND LOVED HIM

My life is but a weaving  
Between the Lord and me,  
I may not choose the colours,  
He knows what they should be:  
For He can view the pattern  
Upon the upper side  
while I can see it only  
On this, the underside.  
Sometimes He weaves in sorrow,  
Which seems so strange to me;  
But I will trust His judgement,  
And work on faithfully.  
'Tis He who fills the shuttle,  
And He knows what is best,  
So I shall weave in earnest,  
Leaving to Him the rest.  
Not till the loom is silent,  
And the shuttles cease to fly  
Shall God unroll the canvas  
And explain the reason why...  
The dark threads are, as needed  
in the Weaver's skilful hand  
As the threads of gold and silver  
in the pattern He has planned.

**What Will You Do For Love?**

Will you keep going to venues that only disappoint you? Will you keep believing that someone will eventually come your way? Will you keep telling yourself "I would rather be single" or your friends that you are too busy for a relationship, "haven't got the time" or do you put materialistic priorities before love. I would rather have a new house, car, go overseas, win the lottery, when deep down inside you know the truth, love really does make the world go round! You don't have to be single, alone or lonely. Make the difference to your life today.
